UNITED STATES INTELLIGENCE BOARD

MEMORANDUM FOR: The United States Intelligence Board

SUBJECT : Emergency Planning

1. The attached check list for the guidance of USIB committees currently engaged in the development of emergency plans was prepared by CIA in collaboration with the Joint Staff and is submitted for review.
2. It is proposed that this check list be transmitted to all USIB committee chairmen following its consideration and approval by the Intelligence Board. In this connection, it is also suggested that a small informal steering group composed of one representative each from the State Department, the Joint Staff, and CIA be established to provide further day-to-day guidance to the committees and assist them in developing a coordinated over-all community approach to the emergency planning problem.
3. This matter will be placed on the agenda of the Intelligence Board meeting scheduled for 8 September.
